

**I'll have what she's having,
a valentine's menu**

three courses, choice of...

It had to be you, for starters

I'm going to start with the grilled radicchio

radicchio, grapefruit vinaigrette,

fennel, herb & crispy parsnip

or

Pesto is the quiche of the 80's

shrimp skewer w/ pea pesto & citrus salad

You said, what are ya doin after? Entrees

I'll have the salmon with the mustard sauce

salmon, cauliflower parsnip mash,

watercress salad & mustard sauce on the side

or

Waiter, there is too much pepper on my paprikash

Misty Knoll turkey, smoky Hungarian spices

& homemade egg noodles

Casablanca, last scene

Enormous coconut cake

with very rich chocolate sauce, on the side

or

I would be proud to partake of your pecan pie

For later...

Mallomars, the greatest cookie of all time (gf)

You know, that's just like you!

To say something that would make it impossible to hate you!

And I hate you Harry, I really hate you.
